MEMORANDUM FOR THE RECORD

OCA FILE MediaFROM: Dave Gries *DP*

REOPT # _____

SUBJECT: Meeting with DCI on Leaks

25X1

25X1

In attendance were [redacted]
 [redacted] Dick Kerr, [redacted] and
 myself.

25X1

Dick Kerr and [redacted] were asked to look into
 limiting explicit sourcing (HUMINT, SIGINT or imagery) in
 finished intelligence.

It was decided that the Unauthorized Disclosures Monthly
 should be renamed Current Unauthorized Disclosures or something
 similar and distributed weekly by NID courier in the NID
 envelope. However, only 41 copies will be distributed.

Dave Doherty was asked to improve liaison with and increase
 pressure on the FBI investigative unit.

The Director said that the NSC was continuing to work up a
 system for authorized disclosures. Ultimately the system would
 be presented to the NSC for discussion.

The discussion on legislation was inconclusive. At first
 the Director said that we should include the press but expect
 that it would take many years and much work to get such
 legislation. Later he agreed that the Congress would be
 receptive to more limited legislation that excluded the press.

After some of the above has born fruit, the Director will
 probably be willing to author a progress report to CIA employees
 describing UDAC, the effort to limit explicit sourcing, new
 arrangements for the unauthorized disclosures report and
 information about the FBI unit. The NSC's authorized disclosure
 effort should also be included.
